

To All our Valued Customers,

Navasota Livestock Auction Co. will continue having our weekly sales on Saturday. We do ask that, for the safety of all employees and customers, please minimize the time you spend at the market especially in the sales arena. We are asking that you only come in the sales arena if you intend to be a buyer. We are also asking that you come alone to limit the number of people in the sales arena.

We ask that you stay in your vehicle during the tagging and unloading of your animals. Our staff will be available to check in and unload your livestock so that you may return home to minimize exposure risk. We ask that you utilize the Postal Service during this time to practice social distancing. You can also contact our office to discuss check delivery or pick up options if you would prefer not to wait for the mail.

If you are feeling ill or having any symptoms of illness, please remain home. Please continue to check our website and social media for info on all sales. We are diligently cleaning and disinfecting our common areas and restroom facilities.

We have cancelled our Spring Replacement Sale scheduled for Saturday, April 4 because of the large crowd that it draws, however we will continue to be open on April 4 for our regular, weekly sale under the above recommendations.

As we have in the past several years, we will be closed in observance of Easter on Saturday, April 11.

We appreciate your business and your cooperation. Thank you, God Bless your health and safety.
